

CENSUS

Once again it is (local/state) **CENSUS** time. Please read the enclosed directions carefully before filling out the form. Be certain to review and correct all of the information requested (Name, Address, Date of Birth, Occupation, Nationality, M/D-Moved/Deceased, #Dogs, #Cats, Veteran-Y/N) sign, date and **return within 10 days**. All occupants that reside in the household should be listed, including children. Information pertaining to residents under the age of 17 remains confidential and is not considered a public record. The default date for an unknown date of birth is **7/04/1776**. Please enter the correct date of birth if this date appears on your census form.

If you wish to change your (voter) party enrollment or want to register to vote, contact the Town Clerk's Office at 508-644-2201, ext. 2 and we will mail you the correct form. The census form is not a valid document to register a voter.

The census form may be mailed or dropped off at the designated boxes located at the Police Station (Chace Rd), Multi-purpose Senior Ctr. (Chace Rd.), James White Memorial Library (Washburn Rd.), Guilford H. Hathaway Library (North Main St) or in the Town Hall (North Main St). Census forms can also be put in the black mail box in front of the Town Hall.

PLEASE NOTE: RETURN ENVELOPES SHOULD BE USED FOR CENSUS ONLY!! Do not use for (or include) real estate tax, excise tax, water or trash pick-up payments. Returned envelopes are not opened immediately due to the large number of census being returned. Payments that are enclosed with the census might not be processed in a timely manner and could produce a late payment and interest charges.

Thank you for your time and cooperation in completing the 2012 Annual Census. By answering the census you help your community to obtain state and federal funds and also provide valuable demographic information.
